

INDIANA DEPARTMENT OF TRANSPORTATION
Statewide Transportation Improvement Program (STIP)
Public Involvement Opportunity

The Indiana Department of Transportation's (INDOT) State Transportation Improvement Program (STIP) is Indiana's 5-year planning and construction document that lists all projects and project phases expected to be funded within 5-years with federal funds as well as state-funded projects that has been deemed "Regionally Significant".

INDOT is in the process of updating our *STIP Document*. A draft version of the 2022-2026 STIP is available at: www.in.gov/indot/STIP for a 45-day comment period starting on April 9th and ending by May 25th.

Your Voice Matters!

Proactive public involvement is a key component of the state's transportation planning processes. There are multiple opportunities for the public and stakeholders to have a voice in the STIP development process:

- Go online at www.in.gov/indot/STIP and review the draft 2022-2026 STIP document. Provide your comments using the online form, email, or you can mail in your comments to the address below. Comments received are documented, responded to, and will be included in the appendices of the final STIP document.
- Contact your respective INDOT District Office regarding transportation facility needs or contact your respective Metropolitan or Regional Planning Office to participate in planning meetings in your area and provide your comments. A listing of district, metropolitan, and regional planning office can be found at: www.in.gov/indot/STIP or by using the QR Code.
- Attend one of the four Virtual Statewide Town Hall STIP Meetings to be held at 6:00 PM April 21 & April 28; 1:00 PM April 29 & May 4 2021. Call in numbers will be available. Recordings of these meetings will be available online after May 4th.

Or, scan the QR Code to learn more about the STIP, processes, and links to the document, meetings, materials, comment forms, and district/regional planning agency contact information.
